Good morning, Ken. Hope all is well.

We are in the process of completing the last of the off-site excavations requiring sod to be installed. When you have some time, I'd like to have you come to the site and get some measurements for the remaining areas that we'll place Bermuda grass sod.

If possible, I'd like to have the work scheduled for the first of next week to complete this while we still have good weather.

Regards,

Don
